Dear Mr. Kaufman:

This is a final response to your 9 December 2018 Freedom of Information Act (FOIA) request for **any and all documents pertaining to the 16 April 2013 attack on PG&E's Metcalf substation near San Jose, CA including but not limited to the attack's effects on agency policy and incident response.**

We believe your request as written would more likely fall under the auspices of the Federal Bureau of Investigation. There is no central office in the government that processes requests for all federal agencies. Each agency responds to requests for its own records. Therefore, we believe you should submit your FOIA request to the following address:

Federal Bureau of Investigation
170 Marcel Drive
Winchester, VA 22602-4843

Furthermore, in the future, it would be more useful if could provide more background into why you submitted your request to the Central Intelligence Agency for records on a domestic issue. If so, we will take another assessment and review of your request in more detail.

If you have questions regarding our response, you may seek assistance from CIA's FOIA Public Liaison. You may reach the FOIA Public Liaison at:

703-613-1287 (FOIA Hotline)

Sincerely,
